JUDGMENT

Though prayer in this writ petition is to set aside the proceedings under the Securitisation Act, the only contention urged is that the property could have fetched a better price than what was fetched. Learned standing counsel for the bank submits that the sale has been confirmed accepting the best offer. Apart from the alleged unsatisfactory price, the petitioner has not urged any ground to interfere with the above proceedings. If the bank has fixed the sale accepting the best offer that was received, the sale conducted cannot be faulted. In the circumstances, I do not find any reason to interfere with the above proceedings.

2. Hence, the writ petition fails and it stands dismissed.

Antony Dominic,
Judge.
